

YUKIE KUSHIBIKI

UI DESIGNER, 3D MODELER, TEXTURER

Hi, there!

I create clear user interfaces and a knack for 3D environments and texturing. I constantly yearn for opportunity and am often found in the depth of a search engine. I believe in continuous learning and would make a great candidate on your team!

SKILLS

Software Proficiency in Autodesk Maya, Adobe Photoshop, Adobe Illustrator, Microsoft Office.

Working knowledge in Unreal Engine 4, Unity.

EXPERIENCE

Mine Avoiders / Jan. 2017 - May 2017

Researcher / 3D artist

UV unwrapping 3D assets to be textured, developing presentation requirements and guidelines for student work to be graded, and researched for a factually-sound mobile game for the use of grade school students in Bosnia.

deziGNVR / Dec. 2017 - Mar. 2017

Freelance 3D artist

3D modeling high and low poly assets to present a comfortable virtual experience for users, creating a deliverable in Unity for employers, and developing lighting in the 3D environment.

Chik-Fil-A / Oct. 2016 - May 2017

Team member

Contributing to a sale high of \$10,000 within a 4-hour lunch rush by providing a quick drive-thru service, directing financial transactions, and being the face of the store for a welcoming customer experience.

PetSmart / Sept. 2018 - current

Associate

Increasing merch sales daily by assisting pet parents to their desired product, organizing shelves, and promoting donation drives to give back to the community, as well as, boosting our in-store conversion rate, UPT, and sales.

VOLUNTEER

Digital Media Group / Sept. 2017 - May 2018

Treasurer / Event Coordinator

In charge of authorizing financial actions, planning and coordinating guest Skype call lectures for aspiring students, and the face of receiving equipment grants.

SIGGRAPH 2017 / July 2018 - Aug. 2018

Student volunteer

Enforcing regulations on recorded media during new releases, assisting business conference tables, and overseeing entrances into private lecture sessions for 25 hours over a 7-day period.
